

Dear NACFC Supporters and Exhibitors,

We know that you have been anxiously waiting for updates regarding NACFC, and we sincerely appreciate your patience and understanding over the past month. As we continue to navigate the challenges posed by this pandemic, we are committed to transparency with our exhibiting and supporting community.

We were scheduled to open exhibitor and supporter applications and release our prospectus today, May 18. However, given the circumstances, we feel that it is premature to open exhibitor and supporter applications until we know whether we will be able to hold a face-to-face meeting in Phoenix. We understand the incredible effort it takes for you to participate in NACFC and want to respect both your time and investment.

Our focus today, as always, is on the health and well-being of the CF community. If we ultimately decide that we are not able to meet in Phoenix, we will host a digital version of NACFC. You will remain a key part of the meeting, and we are committed to ensuring that your participation still has great value for your company.

We thank you for your ongoing support of NACFC. We will be in touch as soon as we have more information to share. In the meantime, if you have any questions regarding exhibits or support at NACFC, please contact me at Exhibit-Support-NACFC@cff.org or by phone at 240-200-3763.

Sincerely,

Rebekah Kim
