

Thematic Poster Session Presenters

Thematic Poster sessions will consist of two key parts: (1) poster presentations of abstracts focused on a central theme followed by a (2) moderated discussion. These sessions are designed to engage the authors and members of the audience in a discussion that ties together ideas from multiple posters in the session. For further details, please review the NACFC 2018 Thematic Poster Session descriptions here: <https://www.nacfconference.org/Submissions/Abstracts/>.

The standard session format for a thematic poster session is as follows:

- 10 posters;
- 40 minutes of poster viewing (four minutes each);
- 40 minutes of facilitated group discussion, following poster viewing; and
- Poster presentation on a one-on-one or small group basis.

Thematic Poster Session presenters are required to create and submit a single slide highlighting the most important figure or table from the abstract. The slide must be uploaded by the **October 3** deadline via the NACFC Speaker Portal at <https://ww4.aievolution.com/cff1801/>.

Be sure to check in at the Speaker Ready Room (Room 603 at the Colorado Convention Center) at least (4) hours prior to your presentation to review your slide.

In your presentation, you must give a brief, focused summary of your work.

As a reminder, any posters left behind in Room 702 after your session will be discarded.

Poster removal begins at 2:30 p.m. on Saturday, October 20. Posters may NOT be removed for any reason before that time. The CF Foundation will provide security at night. All posters must be removed by 5:00 p.m. on Saturday. NOTE: The final Saturday session ends at 6:15 p.m. Therefore, if you attend one of these sessions, please make plans to have your poster removed by 5:00 p.m. Posters that are not taken down by 5:00 p.m. on Saturday will be discarded.
